Measurable Goal

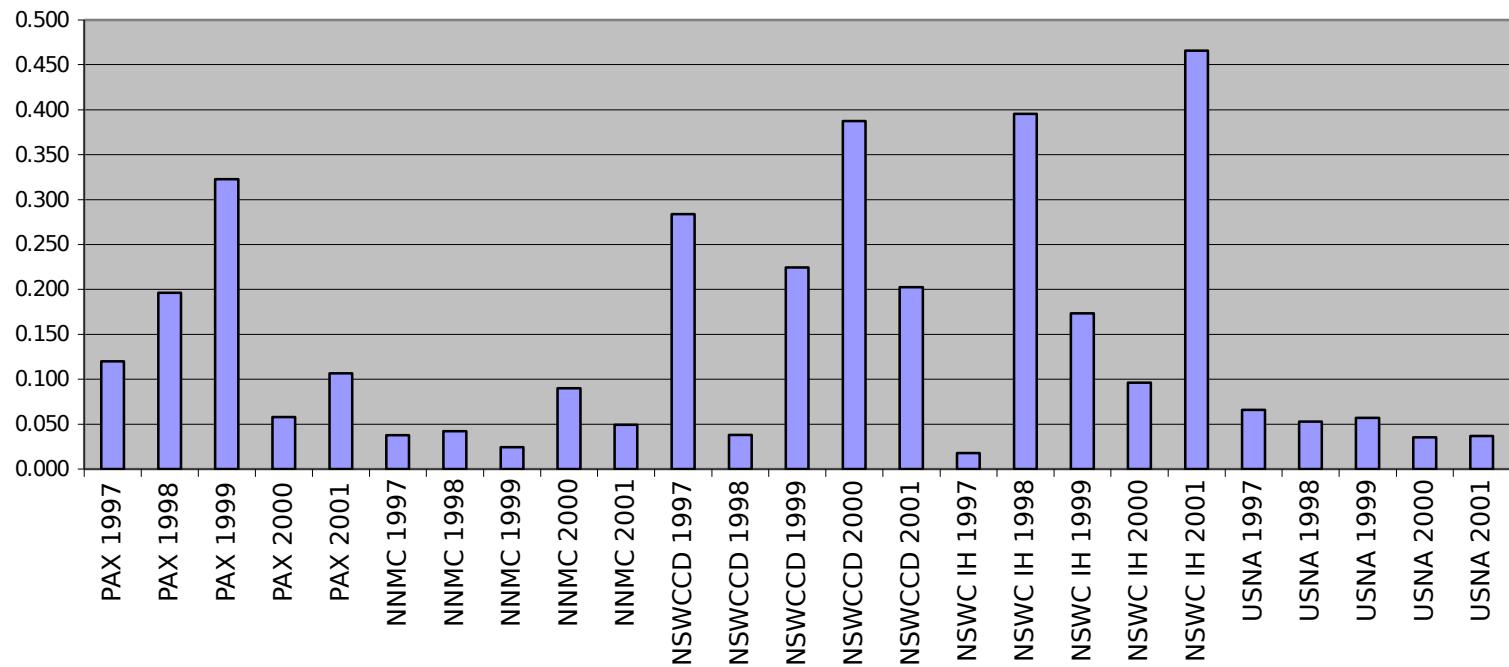

- PROPOSED
 - Collectively increase recycling (diversion) rate to 40%

Note: For the following graphs, the percentage diverted is of the total waste stream.

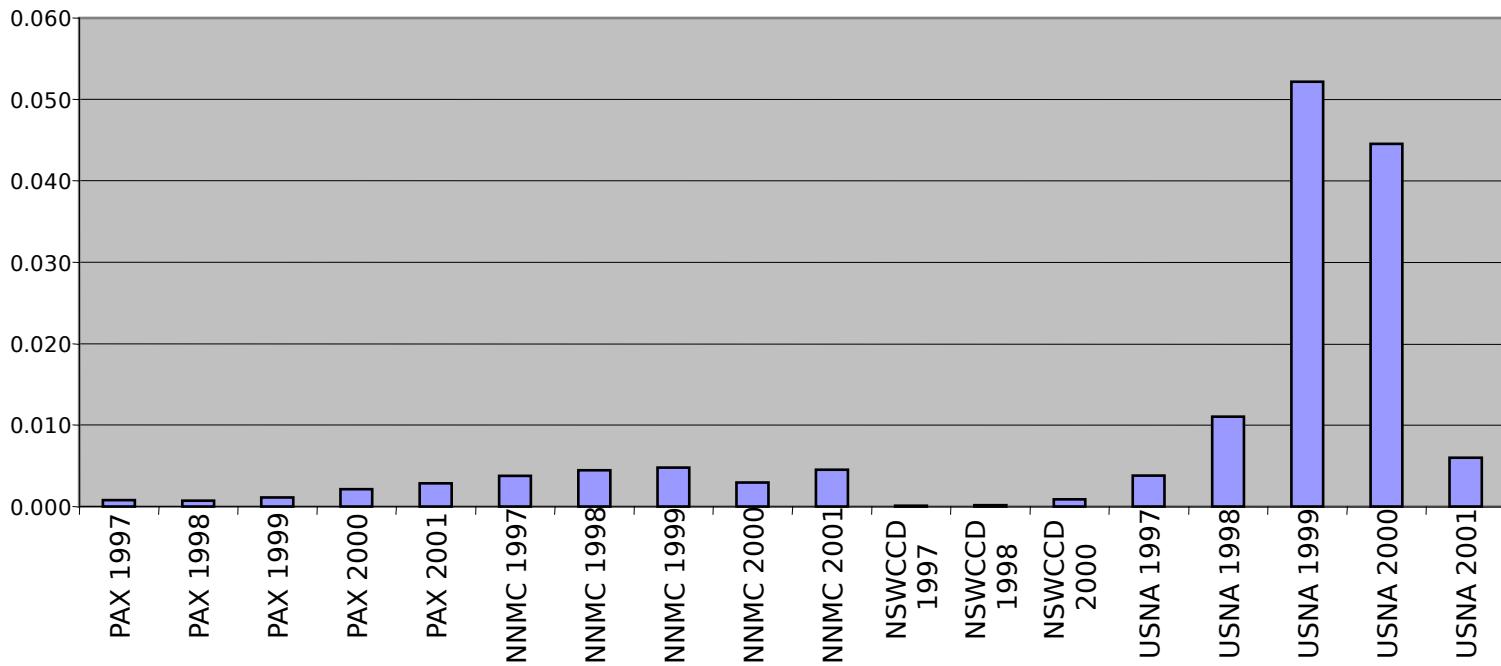

% Glass Waste Diverted

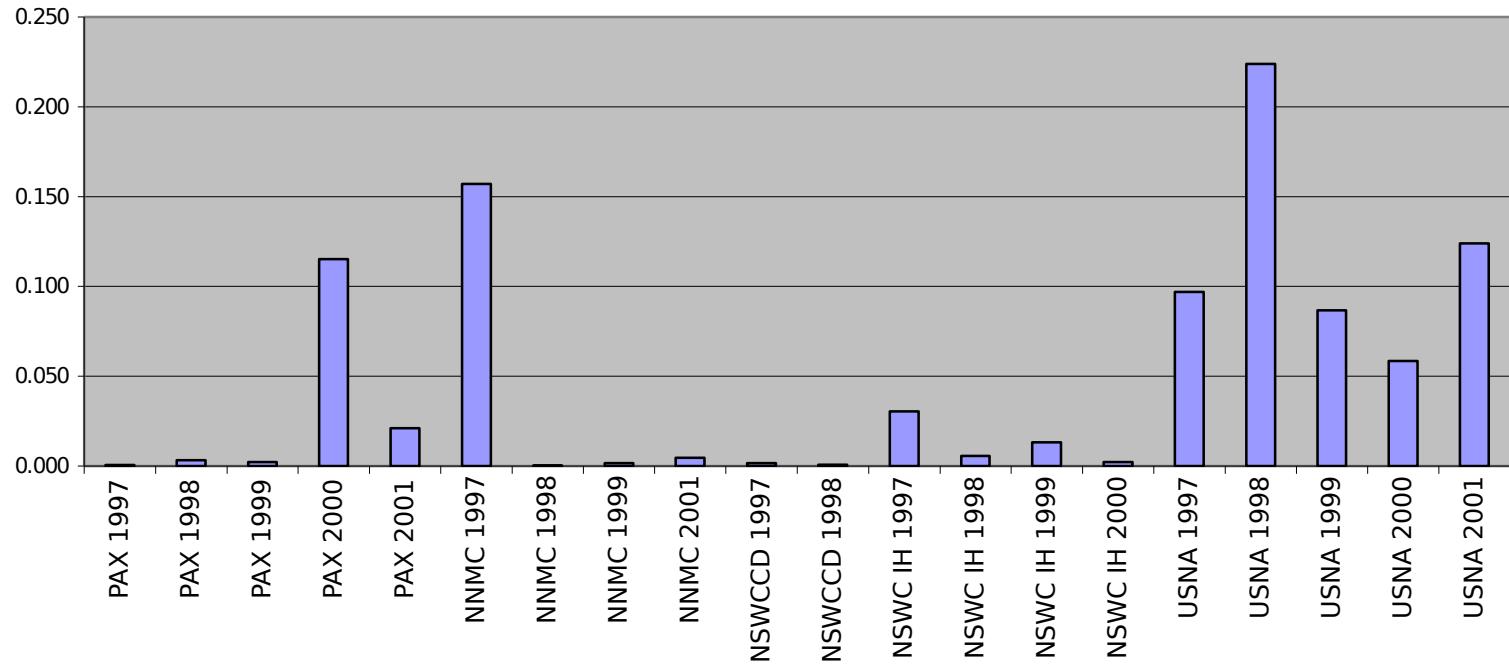

% Metals Waste Diverted

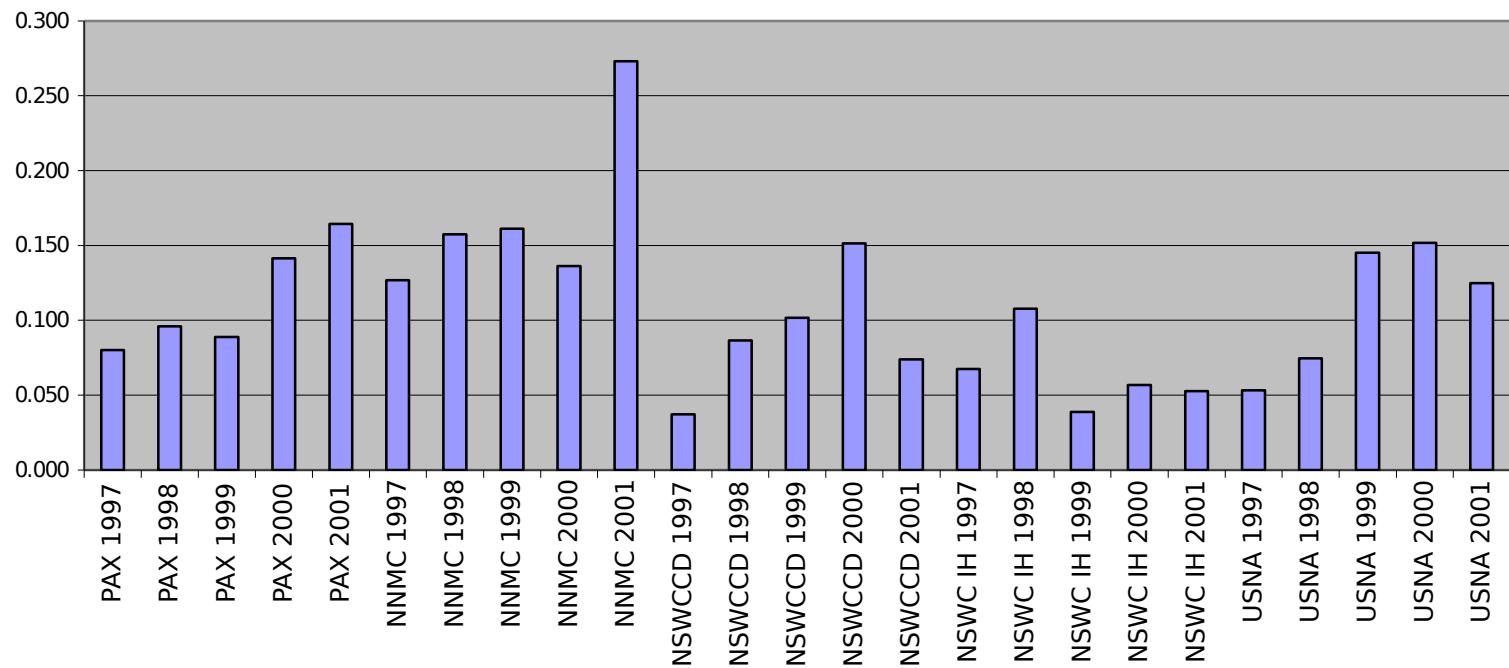

% Food Waste Diverted

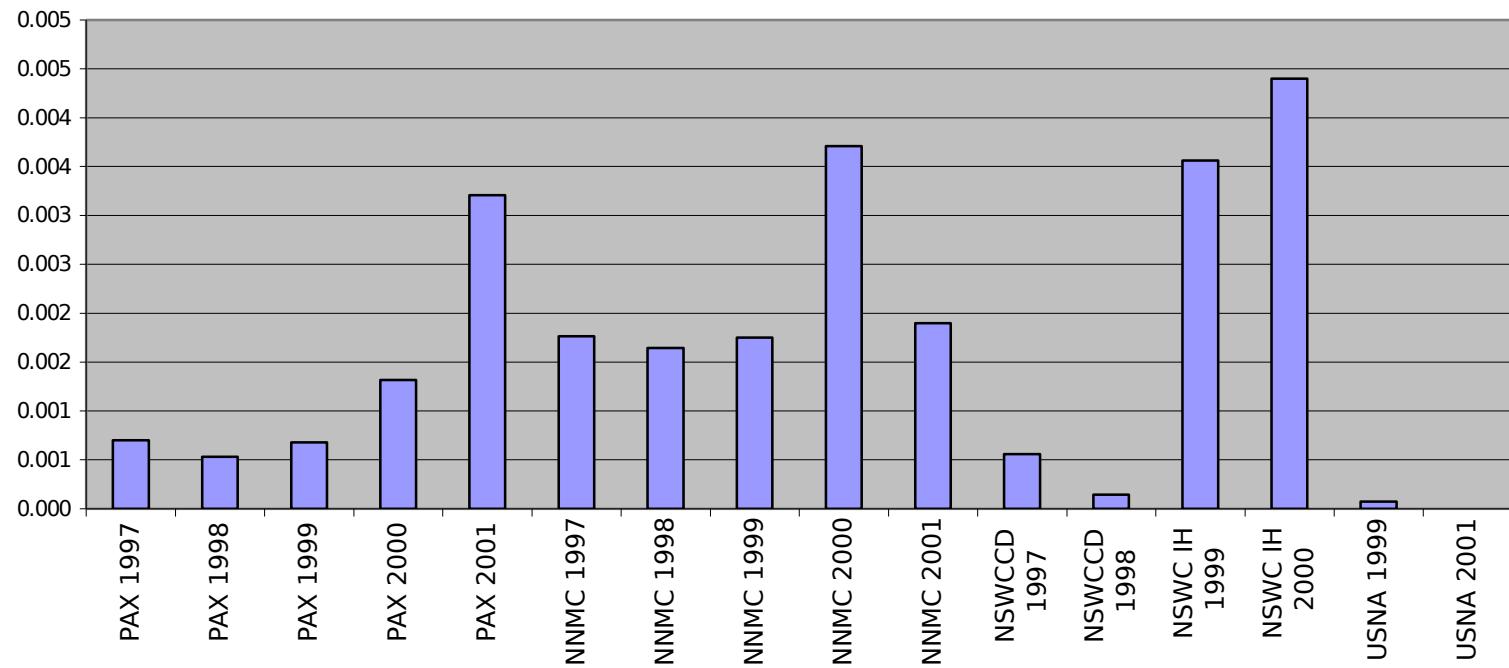

% "Other" Waste Diverted

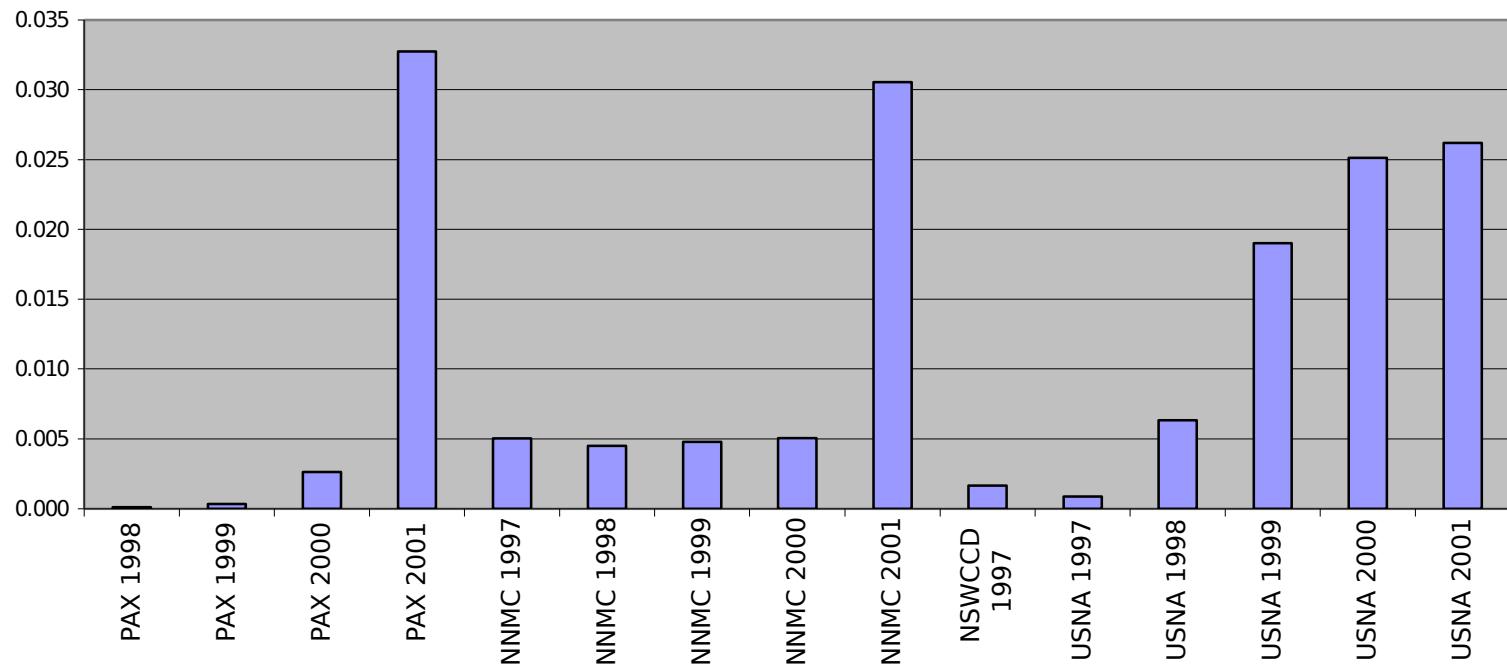

% Paper Waste Diverted

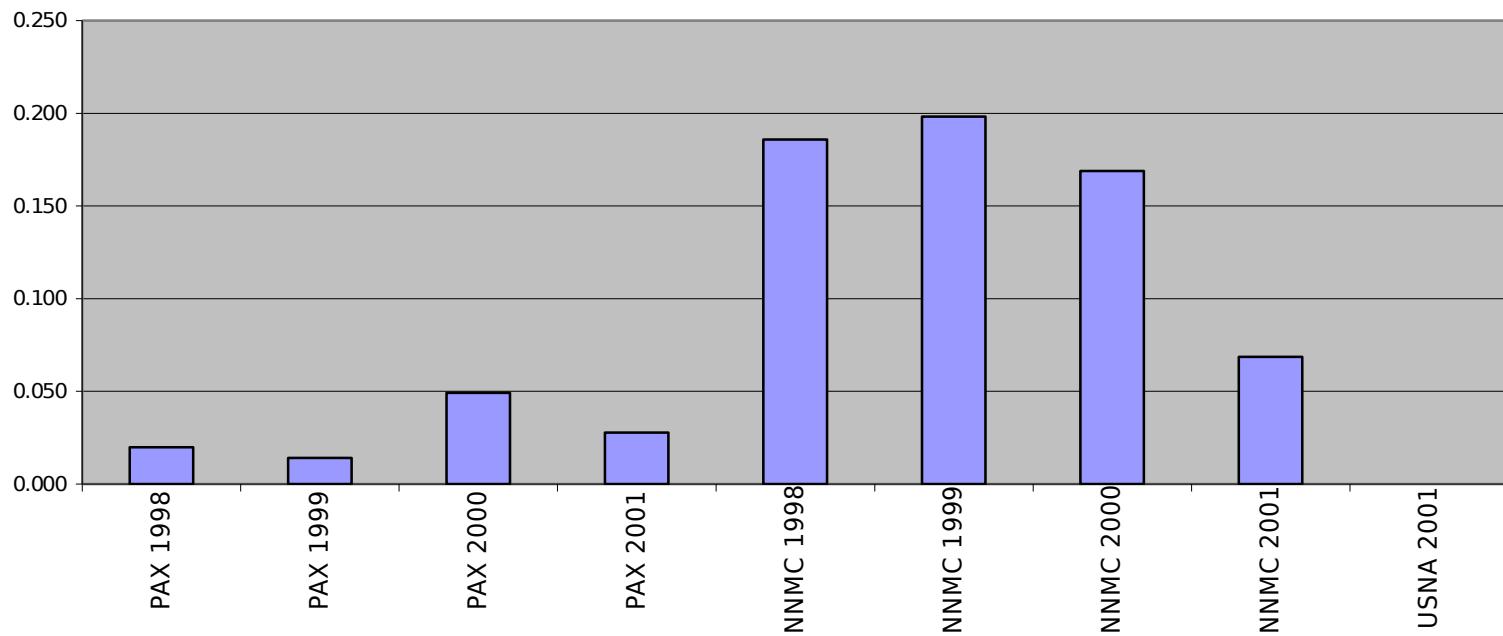

% Plastic Waste Diverted

% Wood Waste Diverted

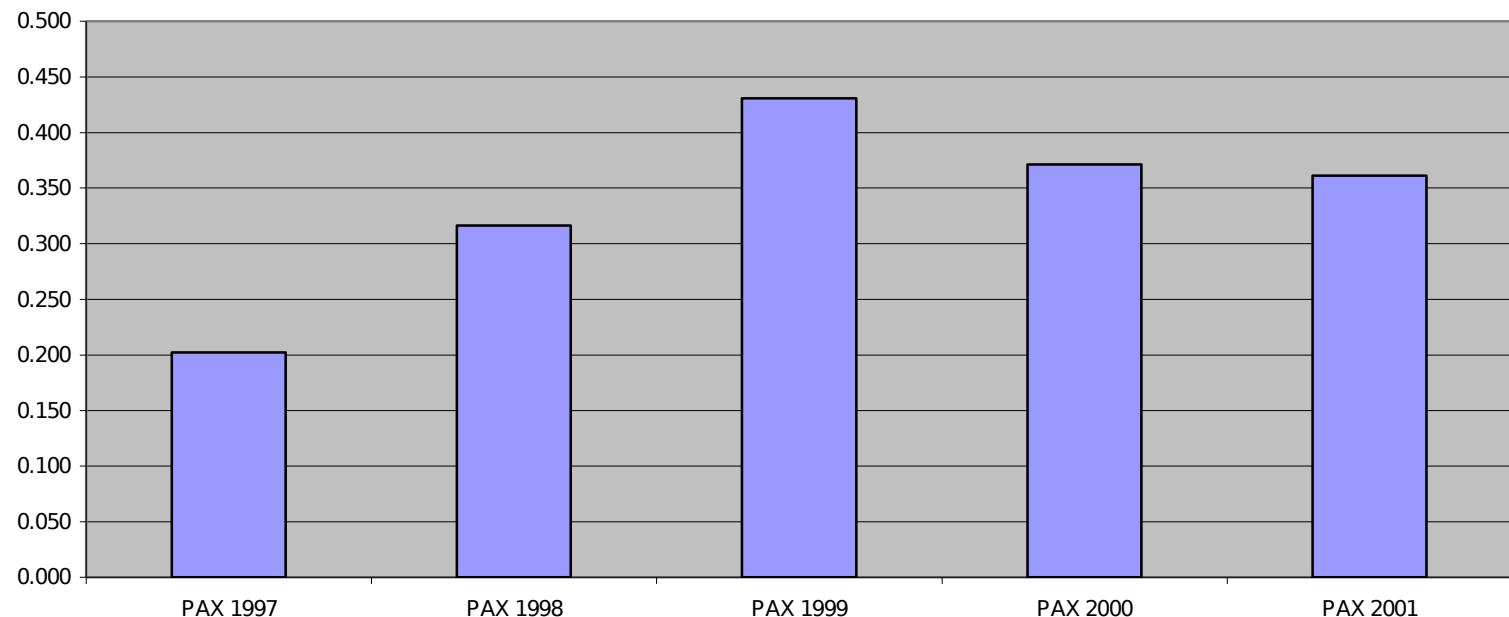

% Yard/Green Waste Diverted

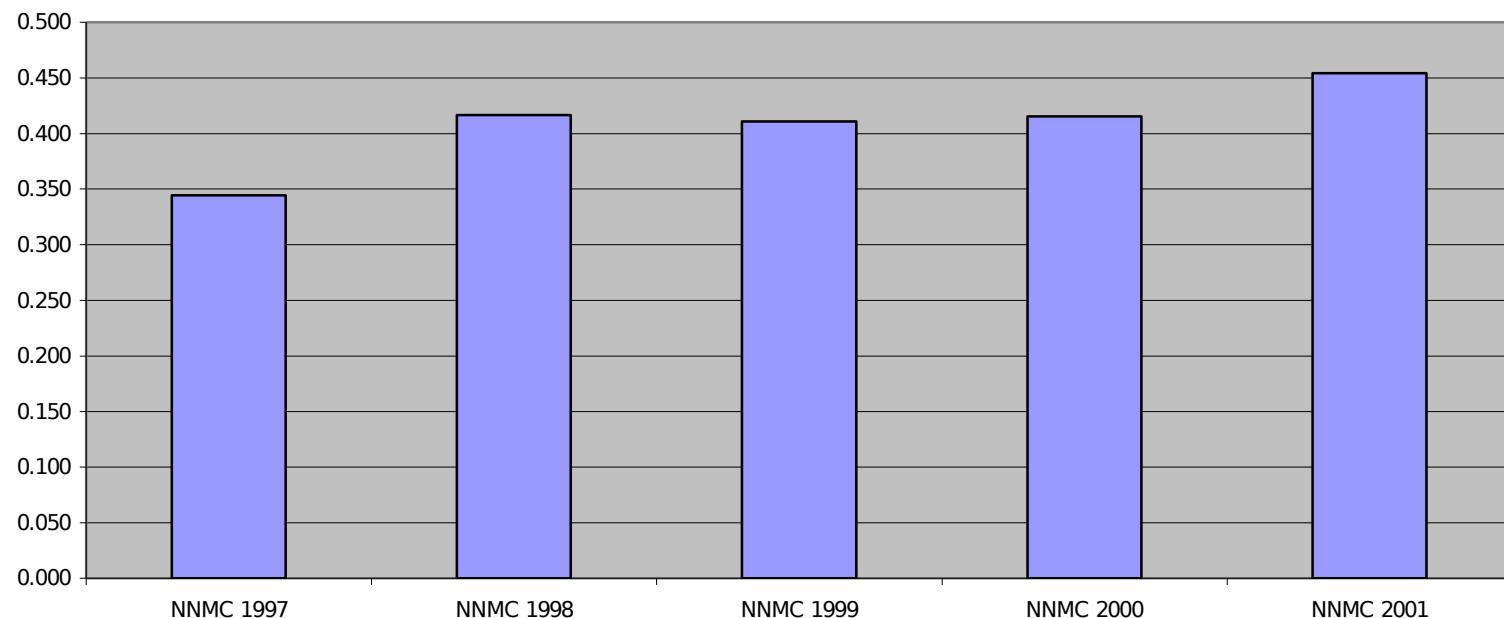

Note:
The following show total
percent diversion by base.

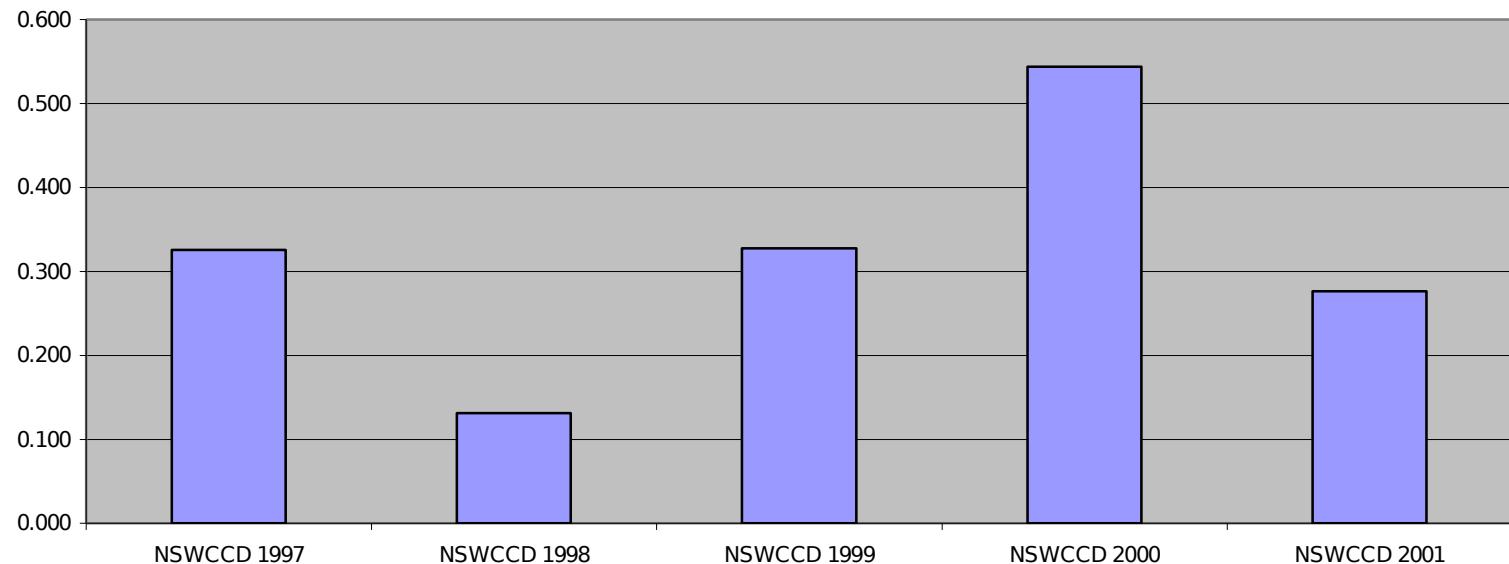

Total % Diversion PAX

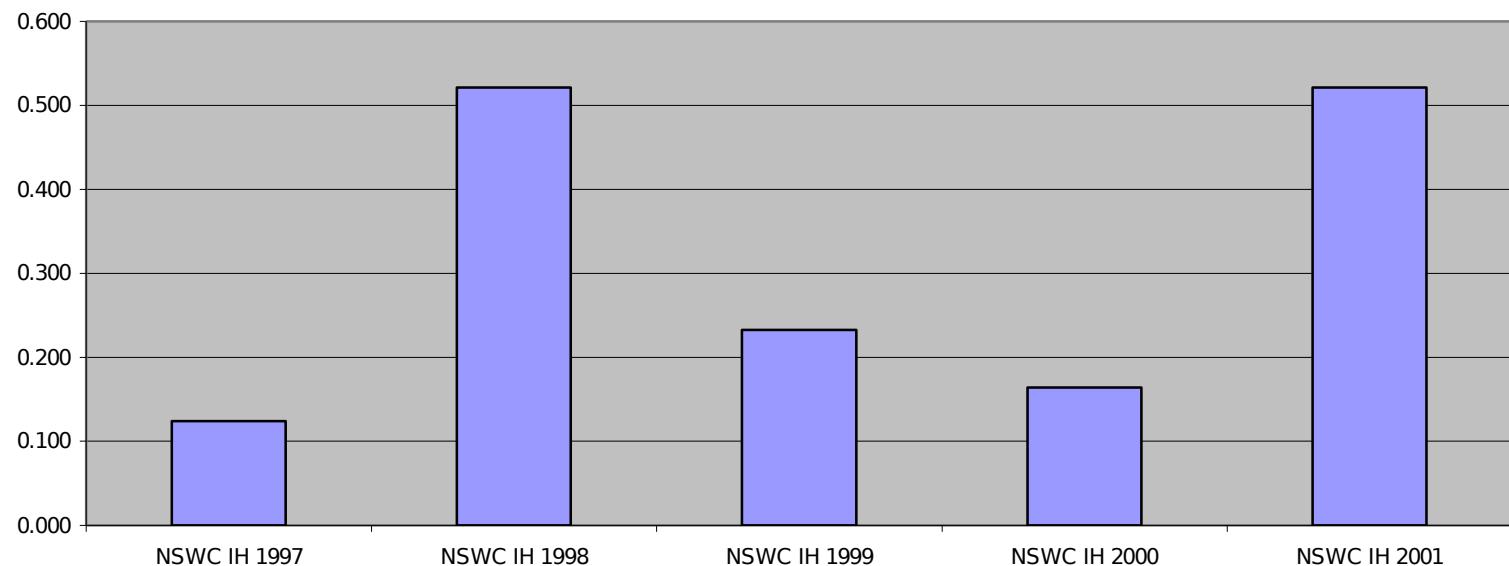

Total % Diversion NNMC

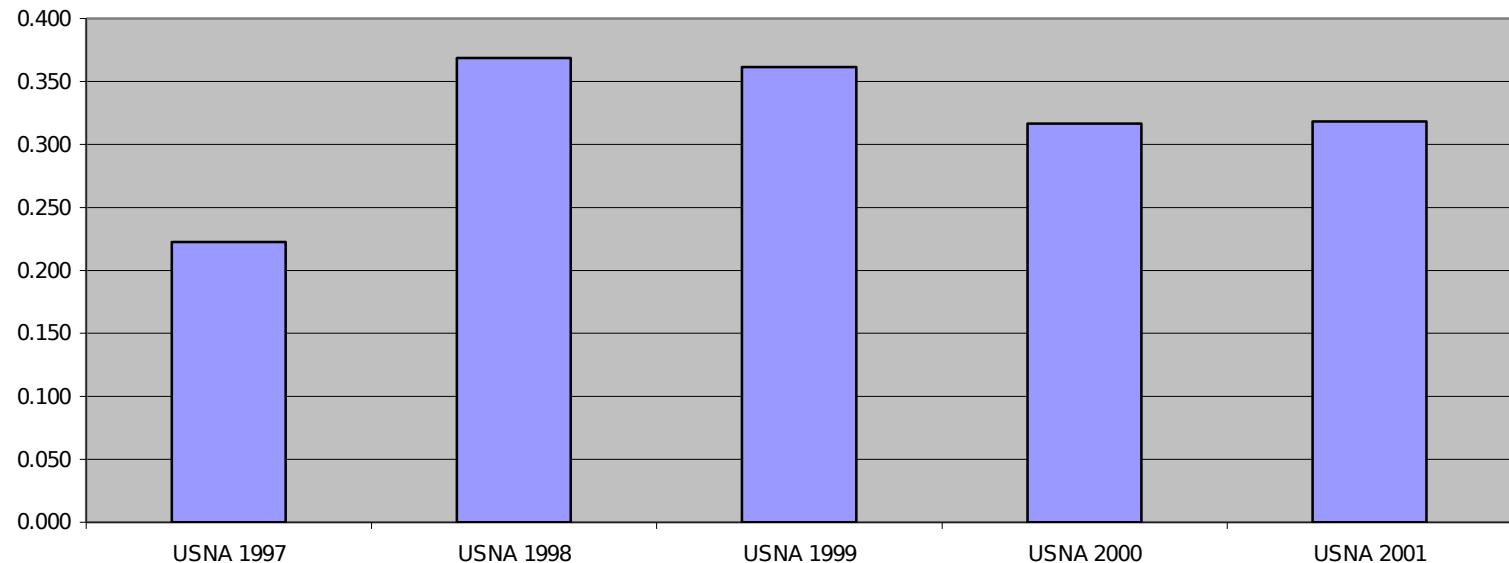

Total % Diversion NSWCCD

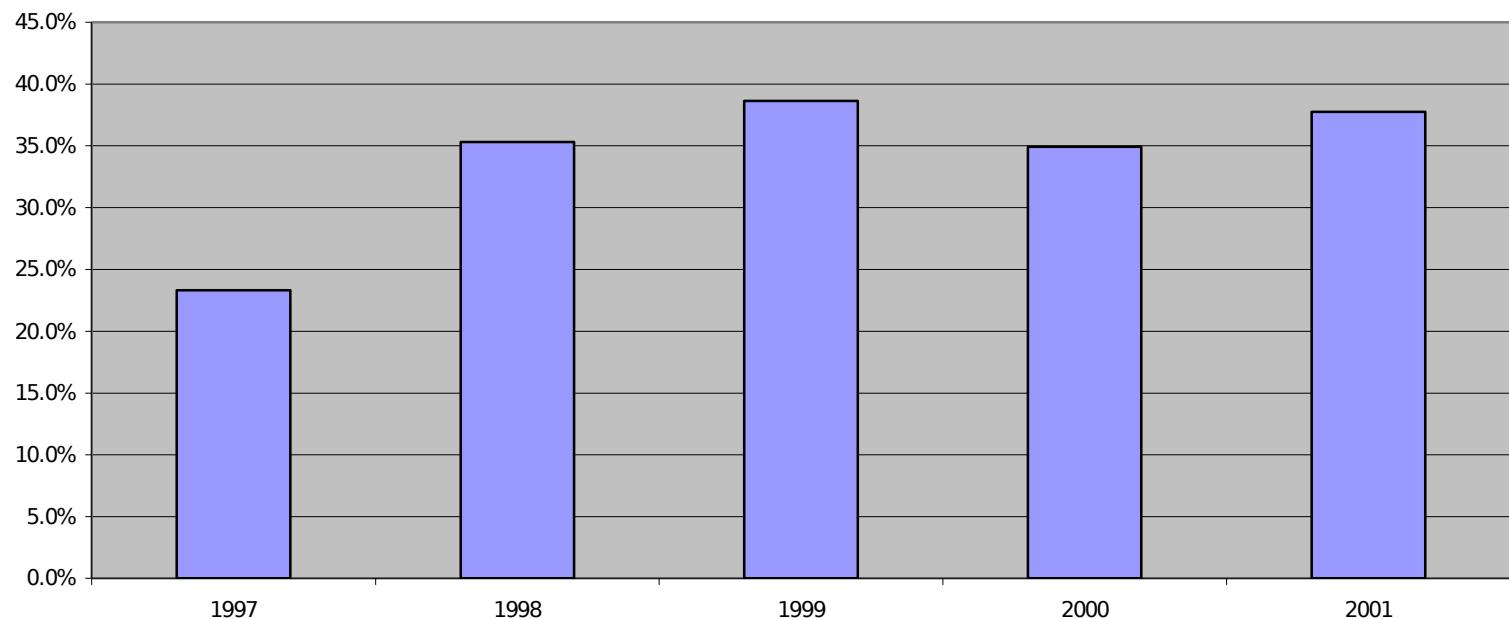

Total % Diversion NSWC IH

Total % Diversion USNA

OVERALL % Diverted

ACTIONS

- Consensus that 40% goal is something MP3 would like to achieve
 - Volunteer Activities to work with Clif Dowling
 - Identification of “small” projects that will assist in meeting goal

OPEN FORUM TIME
